## DISCLAIMER

The flask host will ask you to draw a picture of the molecule you need. There are many molecules that can be created using the Chemical wizard. In using this tool, you might possibly draw molecules that have not yet been prepared or invented. You should be aware that by submitting information, you will be giving ABC Co., and its customers the right to make, use, and sell any new molecules you may request.

# BRANCHED

Please draw me a picture of the fluid you need. You may attach various functional groups to the silicone backbone provided below. If you need directions, click on the "2" at my feet.

- Alkoxy
- Alkyl
- Amino
- Aryl
- Epoxy
- Fluoro
- Hydride
- Hydroxy
- Methyl
- Other
- Polyether
- Vinyl
